VI Miscellaneous

The level of commissions mentioned herein are standard and established for routine handling procedures.

Products and services are almost computerized. Consequently, in case a transaction induces additional work or special services, we will charge accordingly an extra cost, on a case by case basis.

It is the policy of our bank that commissions related to a transaction should be expressed in the same currency if we maintain an account in such currency. Consequently, all our commissions will be payable either in the currency of the respective transaction or in EUR - as defined herein - at ALPHA BANK ROMANIA prevailing exchange rates.

The level of commissions mentioned herein has been established for the cases where our commitment does not exceed 12 months. For commitments exceeding 12 months as well as for any transaction not listed in this booklet, you will receive our proposal upon request addressed to our Operations Division. in the Head Office.

The level of commissions listed herein are also applicable to our customers for all transactions irrespective of the currency in which they are denominated. Some differences appear for transactions in RON, according to National Bank of Romania rules.

When calculating commissions, timing like "quarter" must be understood as entire period and the fraction thereon.

Postage, telecommunication and other out of pocket expenses and fees - ours and of third parties - will be charged in addition to the commissions listed herein.

These Terms and Conditions are subject to changes, according to ALPHA BANK ROMANIA policy, at any time and with immediate effect, without prior notice. The amendments will be reflected in the next published issue.

Documentary Credits are subject to the "Uniform Customs and Practice for Documentary Credits" and Collections are subject to the "Uniform Rules for Collections", as stipulated by the International Chamber of Commerce, Paris, in the relative wording actually in force as far as they are applicable.
